

- In the sign up page, what does compulsory mean.
- Other names are vague.
- Sign out text should be separated.
- Dashboard buttons could be more spaced out.
- Update Password opens a new tab which is sketch.
- Take assessment box is a different size than the rest.
- Cost of Living Calculator is too close to the edge of the box.
- College and Career Coaches Link is broken
- Accountability Partner and Mentorship Program/Decision Tree should not have a button if it's under development
- Text spacing in general could do some work
- Not an App
- Find your perfect coach filters do not work

In assessment

- Should have an option that saves the cards the user chooses instead of needing a piece of paper.
- Instead of having a rank system where there's 4 statements and you rank them you should only have the 4 statements and drag to rank them.
- 10 & 18. The best movies, misspelled challenge.
- 20. Remove be.
- Why do the cards show up in the first section but are only relevant in the 3rd section.
- "Select 5 natural talents from the options below" good is spelled wrong.

- Why is fostering's description nurturing when it's its own box.
- Hard to see what you initially selected. Could put to top or add animation.
- Pages are hard to see, not intuitive. Easily misunderstood as the next page.
- My preference to work with, why does plants have a period
- Organize alphabetically
- How many do I choose for that section?
-
- Huge UI change from assessment to college preference. Sketchy because does not look like the same website.
- Why so much athletic options.
- After choosing pay later, then select a package, theres no way to exit it
-

- Title and description spacing is off, needs more away from the grid.
- Box sizes are inconsistent.

Take Assessment Clicked

- Inner Hero Cards are shown, it would be better if they didn't have to get a piece of paper for reference. Instead show these cards when this information is needed in the "next section".
- After clicking the next section, the inner hero cards aren't needed until question 21. Directions look unaesthetic, and do not look like they correlate with the questions. Ranking should go in the opposite order.
- Could implement drag and drop statements to rank instead of multiple choice.
- Unaesthetic when users click two of the same numbers.
- During the assessment, the previous section is hard to find/see.
- Q9 What does Conservative mean in this context.
- Q10 Challenge is spelled wrong.
- Q11 Spacing is off on answers A and B.
- Q18 Challenging is spelled wrong.
- Not allowed to unselect.

Getting Results

- Too much text spread across the whole screen, can condense to half screen.

Next

- The spacing between questions and answers is too big.
- Answer texts are small and coloring make it hard to read.
- "I am naturally goot at" is spelled wrong.
- Most Preferred talent, not consistent capitalization.

***Most Preffered talent.**

Out of the talents you selected(listed below), Select the one you like using the most by clicking on the corresponding box.

Thinking logically	Learning	Problem solving	Intellectualizing	Intellectualizing
Analyzing				

BACK
Next Step

- A talent is listed twice
- Pages are hard to navigate and see.
- This page system discourages users from looking at careers past the first couple of pages.

How do users cancel the subscription?

Results are not instant which leads to untrust in customers.

College & Career Coaches Link is broken, leads to page not found.

Should not display options where the website is still in development.

Career Pathways

- Spacing is off
- Text shouldn't span the whole screen
- Career pathway should not need to be listed under each one

College Pathways

- Dont need the image
- Fix text spacing
-
